THIRD READING OF ZONING ORDINANCES

ORDINANCE R-2014-12 AMENDED APC M-2 to M-1 w/UDC

An Ordinance to Rezone Certain Real Estate in Vanderburgh County, State of Indiana, more commonly known as 1301 W. Lloyd Expressway

Petitioner: Old Evansville Brewery Development LLC

President Friend: Yes. Can you state your name for the record please?

Jim Morley, Jr.: Jim Morley, Jr., Morley & Associates, Project Engineer.

President Friend: Great. What do you plan to do over there?

Jim Morley, Jr.: That had desired a downzone from an M-2 to an M-1 zoning to allow for offices to be built in some of the buildings of the old brewery. Underneath an M-2 zoning you cannot put professional office buildings so they want a downzone to an M-1 to allow that.

President Friend: Okay, that's...do you have any questions from members of Council?

Councilwoman Brinkerhoff-Riley: What's the Use & Development Commitment?

Jim Morley, Jr.: I don't have it with me but it limits, I think, some of the uses of that.

Janet Greenwell of Area Plan: *(Off Mic)* It eliminates all adult uses *(Inaudible)*.

President Friend: Yeah, please.

Councilwoman Brinkerhoff-Riley: Is it our kind a standard one that you can't have an adult bookstore, strip club...

Janet Greenwell of Area Plan: Yes, it's eliminating Use Group 21, all the adult uses.

Councilwoman Brinkerhoff-Riley: Okay, thank you.

President Friend: Thank you. Any other questions from members? Anybody from the audience for or against this? Well this is one of the easy ones.

Well, with that...

Councilman Adams: I'll make a motion.

President Friend: Had a motion to...by Dr. Adams and seconded by Councilwoman Brinkerhoff-Riley.

Madam Clerk, please call the roll as it relates to R-2014-12.

Councilman O'Daniel: As amended.

President Friend: Nine (9) ayes, zero (0) nays, Ordinance R-2014-12 as Amended is hereby declared adopted.

President Friend: Thank you for coming out.

REGULAR AGENDA

THIRD READING OF ZONING ORDINANCES

ORDINANCE R-2014-13

APC

C-4 to M-1 w/ UDC

An Ordinance to Rezone Certain Real Estate in the City of Evansville, State of Indiana, More Commonly Known as 2300 N. First Avenue

Petitioner: Gregory W. Glisson

Ed Johnson, Attorney: *(Off Mic)* Come on up here Greg.

President Friend: Yeah. Go ahead. Thanks for coming out.

Ed Johnson, Attorney: My pleasure. I've enjoyed it so far. I hope I can say that after the next vote. *(Laughter)*

Good evening, President Friend. I'm Ed Johnson; this is Greg Glisson. He seeks to rezone property, a 5½-acre tract of land just to the north of his current business off of First Avenue. He runs a...Glisson Auto Salvage business. This property is C-4. You couldn't use it for commercial because it's 300 feet off of First Avenue. Their business is between First Avenue and this property. Actually, he's the only person that could really use the property.

It...to the north, it's vacant. To the east it's the businesses, the auto stores along First Avenue. To the south it's his property; his property. And to the west is Pigeon Creek and he's elevated well above Pigeon Creek. It doesn't go all the way back to the creek so there's really nobody...at the Area Plan Commission it was approved 11 to 0. There was nobody to show up to remonstrate against it. It's good land use.

Let me tell you one more thing about him. He has cleaned that area up. I don't know if anybody remembers it. I can show you...I won't if I don't have to, but I could show you pictures. It was not pretty. He has cleaned it up at his expense. He put up a 10-foot, not required that high but he did, steel fence around it so that there would...that everything is going to be done behind the fence and you can't see through it. Actually when I went through it I was amazed how, you know, I think...I'm thinking a salvage yard, automobile salvage; there'd be stuff thrown here and...oh my gosh. He's got one car here and the next car here. Each...there's so much...same amount of distance between 'em. He really runs a good show but it won't matter because the public can't see it.

Plan Commission has asked that we not have any ingress and egress off of First Avenue for this new parcel. That's okay, we're fine. We've got existing use of that and so it makes good sense for land development. He is a great citizen with what he's done; runs a class business and what you see is going to be a heck of a lot...is a heck of a lot nicer than it was.

He's here and he'll answer any questions that you have.

President Friend: Ed, what's the Use & Development?

Ed Johnson, Attorney: I think it's the same...

President Friend: Same thing?

Councilwoman Brinkerhoff-Riley: Same *(Inaudible)*.

Ed Johnson, Attorney: I'm going to defer to the Area Plan Commission but I think it's the same thing: No adult...we can't use an adult bookstore; nobody could find it. *Laughter*

So we're going to *(Inaudible)*...

President Friend: What is the deal with the adult bookstores? Everybody's down on these things.

Councilwoman Brinkerhoff-Riley: I...I...

Councilman O'Daniel: What's immediately in front of that?

Ed Johnson, Attorney: AutoZone...

Greg Glisson: And O'Reilly.

Ed Johnson, Attorney:...and O'Reilly.

Councilman Adams: Parts of it.

Councilman O'Daniel: Okay.

Councilwoman Brinkerhoff-Riley: The M-1 designation allows a 24 operation. Do you have any intention of running 24 hours? And that's just because M-1...I just have to ask because M-1 does allow 24 hours a day.

Greg Glisson: No.

Councilwoman Brinkerhoff-Riley: So you're kind of standard. I mean it makes sense that you can't really can't do a salvage yard at night, so kind of standard business hours?

Greg Glisson: Monday through Friday, 8 to 5, and Saturday, 8 to 1.

Councilwoman Brinkerhoff-Riley: Okay, thank you.

President Friend: Yes, Dr. Adams.

Councilman Adams: I would make the comment that after you did present this at Area Plan I went and looked through the screen at this property. He's done a great job. My concern at Area Plan was he going to add any pollution to Pigeon Creek and he really won't. He's done a great job with this. I don't how great a citizen he is but he's done a damn good job here.

Ed Johnson, Attorney: Thank you for your comments.

President Friend: Do we have any other questions from members of Council? Anybody in the audience?

Councilman O'Daniel: What'd this use to be? That area back there.

Ed Johnson, Attorney: Always been vacant.

Greg Glisson: It was a rock crushing...

Councilman O'Daniel: I was going to say. It looks like it's been cleared out for whatever reason.

Greg Glisson: Yeah. I...that's actually part of the process of...when I bought it to this time, I crushed up a lot of the rock, used it on my existing property, you know, and pretty well had a footprint and leveled it all up. And actually, it had a lot of stuff on it that I used on top to resurface.

President Friend: Anybody in the audience for or against? With that, I entertain a motion for adoption.

Councilman Adams: So moved.

Councilwoman Brinkerhoff-Riley: *(Off Mic)* Second.

President Friend: I had a motion made by Dr. Adams and seconded by Councilwoman Brinkerhoff-Riley. Madam Clerk, please call the roll.

Ayes: McGinn, Mosby, Brinkerhoff-Riley, Robinson, Lindsey, Adams, O'Daniel, Weaver, Friend

Ed Johnson, Attorney: Thank you all very much.

Greg Glisson: Thank you.
